Dry Mixed Recycling

We supply 1100ltr dry mixed recycling bins to productions.

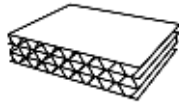

We collect these when they are full and take back to our operating centre in Dragon International Studios and place into our 6100ltr Front End Loader which is then collected and processed by Biffa South Wales.

We accept the following waste in our dry mixed recycling bins:

Paper Recycling

Dry paper waste, newspapers, office paper and magazines

Cardboard

Corrugated cardboard, cereal boxes and card (please flat pack)

Metal Cans

Clean, empty drinks cans and food tins

Plastic

Packaging films, empty drinks bottles, rinsed out milk bottles, clean salad trays, rinsed out microwaveable meal trays and margarine tubs

We will NOT accept:

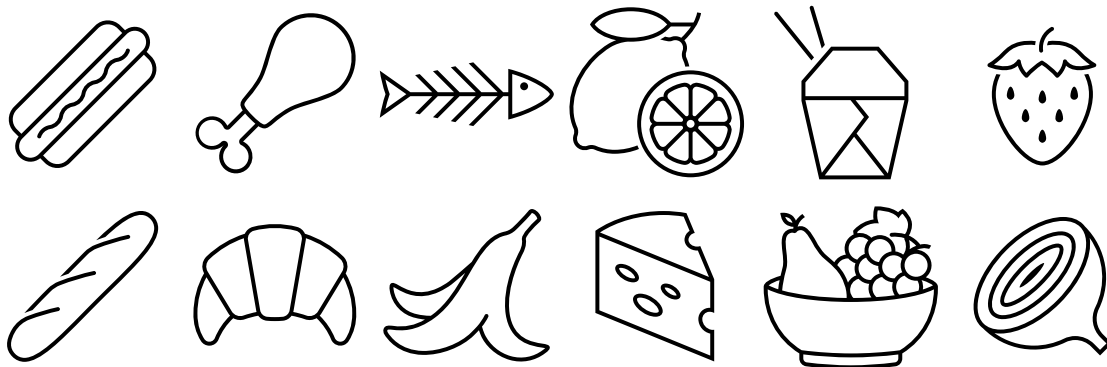

- Black Bags
- Hard and Rigid Plastics (i.e. pipes, window frames)
- Crisp Packets & Sweet Wrappers
- Waxed Paper Cups
- Containers with any residue of food or hazardous material (i.e. paint tins or bleach bottles)
- Liquids, polystyrene, glass, ceramics, wood offcuts, textiles or strapping

Food Waste Recycling

We supply 90ltr loose food waste bins to productions.

We collect these when they are full and take back to our operating centre in Dragon International Studios and place into our designated food waste compartment on our Bin Lorry which we then take to Biffa South Wales Transport Station to be processed.

- **Cooked/uncooked Meat & Fish**
- **Dairy Products**
- **Pastries, cakes, biscuits & bread**
- **Tea & Coffee Grounds**
- **Cooked/uncooked Fruit & Vegetables**
- **Eggs**
- **Rice, pasta & beans**
- **Vegware**

Please do not place anything else into the food waste recycling bins

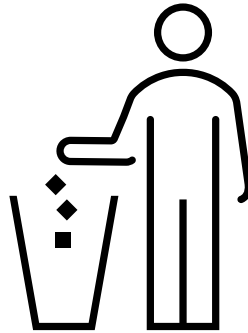

Please ensure that all food waste is loose

****We're currently in the process of investigating alternative ways to recycle food waste including turning collected waste into pellets. ****

General Waste

We supply 1100ltr general waste bins to productions.

We collect these when they are full and take back to our operating centre in Dragon International Studios and place into our 6100ltr Front End Loader which is then collected and processed by Biffa South Wales.

We would like to encourage you to recycle as much as you can.

However, if what you have is not listed on the previous pages and is not recyclable:

Please put in a black bin liner and place in our general waste bins.
